0001. SENATE

Under the Constitution, as amended in 1966, certified by the Apportionment Commission and modified by the Supreme Court, the legislative power is vested in a Senate of 40 members and a General Assembly of 80 members with one Senator and two members of the General Assembly being elected from each of 40 legislative districts, apportioned according to population based on the latest decennial census. All members of the Senate were elected in November, 1987, for a term of four years and all

members of the General Assembly were elected in November, 1989, for a term of two years.

Beginning January, 1990 the compensation of members of the Legislature is \$35,000 per year (C52:10A-1). The President of the Senate and the Speaker of the General Assembly, by virtue of their offices, receive an additional allowance equal to one-third of their compensation.

71. LEGISLATIVE ACTIVITIES

0003. OFFICE OF LEGISLATIVE SERVICES

3. To provide continuous revision of the general and permanent statute law of the State; to prepare and submit to the Legislature for its action legislative bills designed to revise such portions of the general and permanent statute law as in the judgment of the commission may be necessary to remedy defects therein, to accomplish improvement thereof and to maintain the same in revised, consolidated and simplified form under the general plan and classification of the Revised Statutes.
4. To study the methods, practices and procedures employed by the Legislature and make such recommendations for their improvement and modernization as the commission shall deem desirable.

PROGRAM CLASSIFICATIONS

03. **Legislative Support Services.** This function encompasses the following: Office of the Executive Director, Office of the Legislative Counsel, Central Management Unit, Office of the State Auditor, Office of the Legislative Budget and Finance Officer, Data Management Unit and the Administrative Unit.

Office of the Executive Director—Supervises and directs the office; conducts the district office leasing program and the related district office program for the Legislature.

Office of the Legislative Counsel—Acts as counsel to the Legislature; furnishes the Legislature with legal opinions as to the subject matter and legal effect of statutes and statutory proposals and parliamentary law and legislative procedure; provides standards for the examination and editing of all proposed bills and resolutions for compliance with prescribed form; conducts a continuous examination of statutory law and court decisions for the purpose of preparing legislation to correct defects and to revise and modernize the statutory law; assigns compilation numbers to newly enacted laws.

Central Management Unit—Provides staff for legislative standing reference committees and such other committees and commissions as directed; prepares informational memoranda and reports on legislative matters, drafts of bills, resolutions and bill amendments.

Office of Public Information—Operates a public information service; records proceedings of hearings; prepares and distributes various legislative documents.

Office of the State Auditor—Performs a comprehensive financial post-audit of the State and all of its agencies. The division examines and audits accounts, reports and statements and, in addition, makes independent verification of all assets and liabilities, revenues and expenditures, policies and programs. The division makes, or causes to be made, studies and reports with respect to economy, internal management control and compliance with laws and regulations of the operation of State or State-supported agencies.

Office of the Legislative Budget and Finance Officer—Collects and assembles information with reference to the fiscal affairs of the State, examines all requests for appropriations and claims against the State; provides the Legislature with expenditure information and performance analyses of programs and transactions; examines and processes fiscal notes.

Data Management Unit—Supervises the operation, maintenance and security of the legislative computer system.

Administrative Unit—Handles personnel, budgeting, accounting, purchasing, space acquisition and assignment and other centralized services for the Office of Legislative Services as well as the administration of legislative printing.

LANGUAGE PROVISIONS

It is recommended that the unexpended balances as of June 30, 1991 in this account be appropriated.

It is further recommended that such sums as may be required for the cost of information system audits performed by the State Auditor be funded from unexpended balances.

It is further recommended that the sums appropriated for the continuation and expansion of data processing systems be available for the Legislature in order to plan, acquire and install a comprehensive electronic data processing system, including software acquisition and training in connection with the system, as the Legislative Services Commission shall determine. No funds shall be expended or otherwise made available except upon the approval of the Legislative Information Systems Committee of the Legislative Services Commission and the Commission. The Legislative Services Commission may authorize the expenditure of funds for such capital alterations as may be required to permit the installation of data processing equipment into the State House or State House Annex, including electrical service, climate control, and facility utilization.

It is further recommended that receipts derived from fees and charges for public access to legislative information systems, and the unexpended balance as of June 30, 1991 of such receipts be appropriated for the purpose of modernizing, maintaining, and expanding the dissemination and availability of legislative information.
