3.2. Acknowledge the Bid

- Prior functionality for Bid Acknowledgement required vendors to click directly on the Bid Solicitation number listed in the Open Bids section to use this feature. This has since been changed in the current release of NJSTART, with the introduction of the Follow button.
- Clicking the Follow button will prompt the dialog box shown in Figure 3.2.1 to appear. The dialog box provides important information and user options. You can choose whether to automatically receive notices about the bid.
- You must respond before you can view the bid.
 - If you click Yes, you will receive future notification regarding the Bid Solicitation via email
 - If you click **No**, you will still see the Bid Solicitation, but you will not receive future notifications regarding the Bid Solicitation.
 - After you click Yes or No, the Bid Solicitation Summary page will appear, as shown in the screenshot in Figure 3.3.1
- Currently there is not an Unfollow button that is available in NJSTART. This means that once you click Follow on a Bid Solicitation, you are committed to the applied user options.

- Read the text of **Terms & Conditions** Tab screen very carefully.
- Indicate your acceptance of the Terms & Conditions by clicking Yes, then click Save & Continue.
- While you have the option to select Yes with exceptions, any new exception or additional term(s) submitted through NJSTART, and/or submitted as part of the Vendor's Quote, is subject to the provisions of Bid Solicitation Section 4.1 or may result in a submitted Quote being rejected as non-responsive. Vendors {Bidders} should not reiterate an exception that was addressed during the Electronic Question and Answer period, as the State's response to such exception is already incorporated via Bid Amendment and will not be changed.
- You also have the option to select **No**, indicating that you do not accept the terms and conditions. Taking this action may result in a submitted Quote being rejected as non-responsive.

3.5.4. The Attachments Tab
