

Dental Plans — Retirees

Information for:
Eligible Members of the State Health Benefits Program (SHBP)
and the School Employees' Health Benefits Program (SEHBP)

The Retiree Dental Plans are offered to retirees eligible to enroll in the State Health Benefits Program (SHBP) or the School Employees' Health Benefits Program (SEHBP). Retirees and their eligible dependents have a choice of two types of plans:

- A Dental Plan Organization (DPO); or
- The Retiree Dental Expense Plan.

ELIGIBILITY

The Retiree Dental Plans are available to the following eligible retirees:

- Any retiree, including survivors, enrolled in a medical plan offered under the Retired Group of the SHBP or SEHBP at the time of retirement; and
- Any retiree, including survivors of retirees, eligible for enrollment in the Retired Group of the SHBP or SEHBP but who elected to waive their medical coverage because of other SHBP or SEHBP coverage or coverage provided from another employer. See the "Waiver of Enrollment in Dental Coverage" section.

Note: Duplicate coverage within any New Jersey State-administered dental plan is not permitted. An individual may be covered as a retiree or as a dependent, but not as both a retiree and a dependent. Children may only be covered by one parent.

ENROLLMENT

A retiree or survivor eligible for the SHBP or SEHBP will have one opportunity to enroll in a Retiree Dental Plan when the individual retires or becomes eligible for enrollment in the Retired Group. Medical plan enrollment is generally offered within 30-60 days of retirement or eligibility for benefits under the Retired Group.

Waiver of Enrollment in Dental Coverage

The one-time dental plan enrollment opportunity can be deferred if you are eligible but have other group dental coverage, either as a dependent of a spouse, civil union partner, or same-sex domestic partner, or through your own employment. The retiree or survivor may elect to waive enrollment at the time of retirement or first offering and retain the right to enroll at a later date. A *Cancel/Decline/Waive Retired Coverage Form* must be submitted at the time of enrollment in order to be eligible for later enrollment if you lose the other coverage. You must request enrollment within 60 days from the loss of the other group dental coverage by contacting the New Jersey Division of Pensions & Benefits (NJDPB). Proof of the other group dental plan termination must be submitted in the form of a *HIPAA Certification of Coverage* document or a letter from the employer or dental administrator, along with the *Retiree Dental Plan Application*.

PREMIUM COSTS

Retirees will pay the full cost of the Retiree Dental Plan. Coverage is offered with the understanding that the State will bear no costs for the plan. Under certain circumstances, a local public employer that participates in the SHBP or SEHBP may elect to share the cost of coverage for their retirees through the adoption of P.L. 1999, c. 48 (Chapter 48). The NJDPB will take the monthly premium from the retirement allowance of the retiree. If the retirement allowance is not sufficient to cover the cost of the premium, or if the retiree does not receive a retirement allowance, then the NJDPB will bill the retiree on a monthly basis.

For information on the monthly premiums for the Retiree Dental Plans, see the rate chart that is available on the NJDPB website: www.nj.gov/treasury/pensions

CHOOSING A DENTAL PLAN

Your choice of a dental plan is a personal decision. In deciding whether to enroll and which plan to choose, you should consider:

- The nature and amount of your anticipated dental expenses for the next year;
- The covered services provided by the Retiree Dental Expense Plan or a DPO;
- The differences in out-of-pocket costs for each type of plan; and
- The degree of flexibility that you may want in selecting a dentist.

See the “Dental Plan Comparison” chart to compare benefit levels under each type of dental plan. If you choose a DPO, you must select a dentist who participates with that particular DPO and who can accept you and your dependents as patients.

DENTAL TIERS

To protect the Plans and enrolled members against the effect of retirees joining who have gone years without any dental treatment, the Plans have three benefit tiers. If you enroll in a Retiree Dental Plan within 60 days of leaving another group dental program in which you were enrolled for a minimum of 12 months, you will be enrolled in the highest reimbursement tier, Tier 3. If you were not covered in a group dental program within 60 days of enrolling in a Retiree Dental Plan — or were enrolled in a group dental program for less than 12 months — you will be enrolled in Tier 1. After one year of coverage in Tier 1, you will move to Tier 2. After another year, you will be moved to Tier 3. Once enrolled in Tier 3, the highest level of reimbursement, you will remain in that tier for as long as you continue to be enrolled. See the “Retiree Dental Expense Plan Reimbursement Tiers” section.

PLAN SUMMARY — RETIREE DENTAL PLAN ORGANIZATIONS (DPOs)

The DPOs are companies that contract with a network of providers for dental services. There are several DPOs participating in the Retiree Dental Plans from which you may choose. Participating DPOs are listed in the *Retiree Dental Plans Member Guidebook*, available on our website.

In order to receive coverage, you must use providers who participate with the DPO that you select. Be sure you confirm that the dentist or dental facility you select is taking new patients and participates with the SHBP/SEHBP Retiree Dental Plans, since DPOs also service other organizations.

When you use a DPO dentist, diagnostic and preventive services are covered in full. Most other eligible expenses require a copayment. See the “Dental Plan Comparison” chart. Orthodontic services are not covered. If your dentist drops out of the DPO, you must select another dentist from the DPO. If there are none available within 30 miles of your home, or if you move and your DPO cannot provide a dentist within 30 miles of your home, you may change plans immediately.

DPO Plan Reimbursement Tiers

The types of services covered are based on the dental tier in which you are currently enrolled:

- Tier 1 - Diagnostic and Preventive Services Only
- Tier 2 - Includes Tier 1 Services Plus Restorative Services
- Tier 3 - Includes Full Retiree DPO Plan Design

Once enrolled in Tier 3, you will remain in that tier for as long as you continue to be enrolled.

PLAN SUMMARY — RETIREE DENTAL EXPENSE PLAN

The Retiree Dental Expense Plan is a traditional indemnity, fee-for-service plan. The plan allows you to choose any licensed dentist for your dental care; however, you will pay less if you use an in-network provider. There is a \$50 per person annual deductible, and a maximum aggregate deductible of \$150 per family, which must be met before reimbursements are made. The Retiree Dental Expense Plan reimburses covered services provided at a percentage of the reasonable and customary charges. The Plan is self-insured by the State and is administered by Aetna Dental.

The Retiree Dental Expense Plan covers preventive, basic, and major restorative services at different levels. The deductible is waived for preventive services. The Plan does not reimburse for any orthodontic services.

Network Dentists

The Retiree Dental Expense Plan has a network of dentists who have agreed to accept a discounted fee for services. If a member uses a network provider, the fee for the service will generally be lower than that charged by an out-of-network dentist so the member’s costs will be lower.

Retiree Dental Expense Plan Reimbursement Tiers

The percentage of reimbursement you receive for covered services is based on the dental tier in which you are currently enrolled:

TIER	RETIREE DENTAL EXPENSE PLAN COINSURANCE
TIER 1	80% – Preventive Care 50% – Basic Restorative 30% – Major Resorative
TIER 2	90% – Preventive Care 60% – Basic Restorative 40% – Major Resorative
TIER 3	100% – Preventive Care 70% – Basic Restorative 50% – Major Resorative

PLAN COMPARISON

COVERAGE EFFECTIVE DATES

Generally, the effective date for your Retiree Dental Plan coverage will coincide with your Retired Group medical plan enrollment date.

Coverage will end when:

- Your medical plan coverage is terminated unless medical coverage was waived for other coverage through a public employer. See the “Eligibility” section;
- You voluntarily request health or dental plan termination in writing, or you complete a *Cancel/Decline/Waive Retired Coverage Form* and select termination of Retiree Dental Plan coverage;
- Your medical and/or dental premiums are not paid; or
- Your medical coverage ends due to the fact that your former employer withdraws from the SHBP or SEHBP. This does not apply to retirees who qualified for State-paid medical coverage; i.e., former employees of local school districts or county colleges, and municipal police and firefighters who qualify under the provisions of P.L. 1997, c. 330 (Chapter 330).
